Dear Niki,

In response to your request, Airgas Specialty Products is pleased to submit the following quote for 8000 gallons of 19% Aqua Ammonia delivered to your customer in Sunriver, OR.

<b>GRADE:</b>	19% Aqua Ammonia
<b>CURRENT PRICE:</b>	\$0.13/solution pound – 7.74 lbs. in 1 gallon of 19% 7.74 x \$0.13 = \$1.0062 a gallon x 8000 = \$8,049.60
<b>HAZMAT CHARGE:</b>	\$45.00
<b>FUEL SURCHARGE:</b>	Approx. 212 miles one-way (monthly fuel surcharge rate)
<b>TERMS:</b>	Net cash 30 days

**Value Added:**

*In addition to supplying **Ammonia** products, **Airgas** is very proud of the services we provide: Starting with **Safe Deliveries** as well as **Safety Training, Technical Support and Emergency Response** capabilities in case of an Ammonia problem. We have **Hazwoper** trained, certified and a knowledgeable **Field Service Department** capable of handling Ammonia problems and repairs on-site.*

We appreciate the opportunity to quote on your Aqua Ammonia requirements. To accept this quote, please return to me either a signed copy of this quote including delivery information, or a purchase order.
